

Questions

(Please limit your response to each question to one page. Use double space and size 12 fonts.)

- 1). REGION: What is the proposed region and how is it defined?
- 2). CLUSTER: What cluster is the subject of the proposal? Please provide the rationale for choosing this cluster. Has this industry been the subject of other cluster-based efforts in your area? If so, please describe how this grant will further those efforts.
- 3). PARTNERSHIPS: What are the key regional partnerships? Please provide letters of support from partners in existing partnerships and for those that are start-ups.
- 4). OUTCOMES: Please describe the outcome to be achieved with this grant, including the data and the data method used to evaluate progress and performance.
- 5). WORKFORCE: What resources exist in the region to assist with workforce training for jobs created by cluster-based development?
